Mr. Benjamin Strong
14 Pine Str, N. Y. CITY

Dear Sir:-

I am very sorry to learn that Mr. Jesup is troubled with his eyes, and hope soon to hear that he is better. I too hope that he will not be compelled to delay his departure from N. Y. too long, as the longer he delays it, the less are the chances of getting the corner rooms, which I am making a great effort to keep for him.

Note your remarks about Col. Cannon, also about the horse.

Very respectfully,

/s/ E. G. Grob, Supt.
