Mr. E. W. Clark

School Lane, Germantown, Penn.

Dear Sir:-

As this cold spell is sending our members down very rapidly, I write to say that it is extremely doubtful if any guests will be able to hold rooms for any length of time. I also beg to say that the only vacant rooms at the present time, are on the upper floors.

Very respectfully,

/s/ E. G. Grob, Supt.

Dear Sir:-

I am very sorry to report that it is extremely doubtful if any guests will be able to hold rooms for any length of time after the 20th inst, as we are constantly getting communications from members desiring accommodations for themselves and their families from that date until the end of our season.

Very respectfully,
